The essential ingredients for any kitchen environment, quality appearance and practicality, are inherent to Euroform's **Sleek & Simple** doors and matching handles range.

All **Sleek & Simple** melamine doors come with a limited 7 year manufacturer's warranty.

Sleek & Simple Sharknose handles are exclusively manufactured by Euroform and offer a seamless finish, whilst Regal pull and lip pull handles are **Sleek & Simple** when combined with our melamine doors with matching 1mm PVC edging.

BRING
YOUR
KITCHEN
TO LIFE

Your dream kitchen deserves the finest doors, making Euroform's **Sleek & Simple** range of doors the obvious and affordable choice.

Sleek & Simple painted doors have been selected from our most popular door designs.

Euroform has chosen a selection of **Simple** colour options including neutral whites and subtle tones of beige and grey which will suit any décor within your environment.

Our **Sleek** range of polyurethane painted doors will bring your kitchen to life.
